Prayer at the sending out of the Eucharistic Ministers to the sick and housebound

Priest: Almighty and loving Father, as we have received your Son in this Holy Eucharist, we ask you to hear our prayer for our brothers and sisters:
All: Give your healing, Lord, to those who are sick and housebound.
May those who take the Body of Christ to them also be a loving sign of our prayers and thoughts.
Keep us united with them in all their sufferings so that we will grow together as one community with the presence of Christ among us. Amen.

Gillis Centre, 100 Strathern Road,

Learn how Assisted Suicide has failed in Canada, and what you can do to stop it in Scotland.

Alex Schadenberg is a Catholic from Canada and a world expert on the dangers of euthanasia. His talk will explain why mistakes in Canada could easily happen here. By the end of the talk, you will have information to put to your MSPs to explain why "assisted dying" proposals are so dangerous to the most vulnerable people in Scotland. More information and link on the parish website.
